

## WARRANTY/REPAIR FORM

Rajeff Sports will repair or replace damaged rods for the lifetime of the original owner. For warranties within the US, return the **entire** rod with \$35.00 (check or money order) and this form. Rods returned without a complete Warranty/Repair Form may experience delayed processing. If preferred, payment can be made by Visa or MasterCard upon our receipt and processing of the warranty claim. The Echo Prime one-piece rod warranty fee is \$150.00. Cut off and return the handle section including the ECHO logo and rod model. Taking a hack saw to your fly rod is surprisingly cathartic.

**PLEASE KEEP YOUR TRACKING INFORMATION** when shipping to us. This is the only way both parties can verify arrival of your rod to us.

International customers will be charged the applicable warranty fee (\$35.00 or \$150.00 USD) plus return shipping fees and related customs/duty charges. International warranty fees must be paid by Visa or MasterCard.
